

Classes:

Weeny Boppers is very educational and great fun for all ages. The songs are all catchy and the bubbles at the end are a great way to wind down. It has helped Oscar with co-ordination and listening.

Moira, Nanna to Oscar age 1

Olivia loves the class, especially the bubbles. It's good for me to meet other parents. The classes help the children to learn to share and take turns. I like how Karen treats all the children as individuals and tries to remember all the children's names.

Jane, mum to Olivia age 2 1/2

Fantastic, a fun and relaxed atmosphere, lots of variety in each class. My 6 month old loves it whether we are at the lesson or using the materials at home, as soon as she hears the songs her face just lights up. It's a wonderful experience for both of us and wonderful to watch her face when she recognises dances and pieces of music.

Fiona, mum to Felicity age 6 months.

Weeny Boppers is excellent. There's a good mix of different things. Benji looks forward to the classes each week. He often sings the songs and does the things he's learned in class at home. He is confident and happy about the classes.

Linda, mum to Benji age 4 1/2

Good class to go to if you are looking for a relaxed group to meet other mums and children. Started going when my little girl was 12 weeks old and now at 10 months old she loves music and dancing. The (Kindermusik) CD is a great thing to have in the car, and it doesn't take long for your baby to recognise the songs. Unfortunately, I have had to return back to work, and I do really miss the classes. Great fun bonding time!! Definitely worth attending.

Lisa, mum to Lily age 10 months.

Kindermusik has been a very positive experience for us both. A lot of planning appears to go into the classes to make it a fun time for all. Sophie loves exploring and playing instruments, swinging in the blanket, circle dances, scarves, in fact the swaying and jigging to music is fun for adults too! Sophie remembers the songs and rhymes when we play them at home.

Joyce, mum to Sophie age 8 months.

The dancing and movement to the songs are particularly enjoyable and have had the most response from Archie, but we love the instruments, baby massage and exercises too. I enjoy the fact that children are encouraged to recognise their names in welcome and goodbye songs.

Sue, mum to Archie age 3 months.

Arthur and I love the music and instruments and all the interaction. I love seeing the expressions on Arthur's face. There's a good balance of movement, listening to instruments, storytime and scarves, balls etc.

Kaye, mum to Arthur age 7 months

I have been taking Leah since she was a year old and she really loves kindermusik. Also the Weeny Boppers has been great, a fun and happy, relaxed atmosphere for everyone. Karen is always very enthusiastic and puts in 100% everytime, she really loves her job, I would highly

recommend it.

Angela, mum to Leah age 2.

The children look forward to Weeny Boppers and enjoy each session. They enjoy the musical instruments, story time and movement with scarves the best. It all helps build confidence, gross motor skills and hand eye co-ordination. The class sizes are just right, there is a good balance of activities. Karen works well interacting with the smaller children. There is always enough equipment for every child and parent/carer.

Ruth, Childminder to Megan 3, Rowan 3, Gabi 2, Noah 1 and Jake 2.

There is a good mix of new and familiar music, with lively and more relaxed tunes too - the catchy and repeated songs are the best. Ethan recognises the songs and loves rocking and swaying to them.

Jenifer, Grandma to Ethan age 1.

Weeny Boppers is very good, Sophia really enjoys the class. She laughs and smiles while she's there. We love the variety, the songs, the different use of material. Sophia enjoys mixing with the other babies in the group...and it's a joy to watch her be so happy! She learns different noises, sees and hears and is developing herself all the time. We both thoroughly enjoy the session.

Karen is very patient and has a nice way with all the babies that attend the class.

Gilly, mum to Sophia age 11 months

Early Years settings:

I thought that the variety of the music was really good introducing loud and quiet, quick and slow. Karen was excellent. Brilliant course. The children enjoyed all of it and really enjoyed the parachute with the balls, also the scarves and sticks. I feel they have learnt about different types of music and also been helped with language skills and listening skills. Karen really engaged the children.

JANE, Nursery Nurse.

Thankyou for bringing Kindermusik to our school. The nursery children thoroughly enjoyed their sessions. They were lively, stimulating and managed to engage all the children. We will definitely try and book some more sessions soon.

A. SELBY, Assistant Head Teacher.

The children especially enjoyed using all the visual aids – streamers, shakers etc. It helped them to develop their physical development and their creative development. The music develops the self-confidence as well as their language development.

GEMMA, Nursery Nurse.

Overall the course has been fantastic, well-organised, interesting, and fun for both parents and children. The musical instruments gave the children a new experience. It was good having a beginning and an end song. It was also good using action songs and both parents and children got moving - good exercise. Excellent!

SIAN, Children's Centre Family Support Worker.

All the different musical instruments and the teacher were really good. The children really enjoyed the sessions. They particularly enjoyed the different musical instruments, how to use them e.g. banging, shaking, tapping. The children have benefited by continuing to use the musical instruments at nursery.

MUSRAT, Nursery Nurse.

The course was very beneficial and enjoyable. The babies and children particularly enjoyed the objects in the box and exploring them to the different types of music. It helped develop eye co-ordination and helped the older children with creativity.

ERICA, Senior Nursery Nurse.

Parties:

*Thank you for doing the entertainment for my daughter's 5th Birthday party you did a great job. All the children had a fantastic time and it flowed really well, I don't think it could have gone any better. The party bags were great too and one less thing for me to organise! Thanks again,
Claire, Mum to Anna age 5.*

*Thankyou so much for providing the entertainment for me and my little buddies on my 1st birthday. I had a great party and enjoyed my music & movement session with you.
